INT. ELEMENTARY CLASSROOM - DAY

A sweet TEACHER stands in front of the classroom. Her 4th grade students sitting very politely, almost bored next to a POLICE OFFICER. He is in full out vest and combat mode.

POLICE OFFICER

...thank you for having me at Career Day. I hope you learned a lot about my job as a police officer and the high stress we are put into on a daily basis.

TEACHER

Any questions before we let Officer Johnson go?

The students shrug their shoulders.

POLICE OFFICER

I brought my gun. Want me show you how to unlock the safety?

The Teacher reaches out to stop him.

TEACHER

Oh no, Officer Johnson. Thank you, but the class must be tired. Let's give Officer Johnson a round of applause.

The class claps. Officer Johnson walks out of the room.

TEACHER (CONT'D)

Okay, class. We have one more guest for career day. He's the host of The Tonight Show!

The kids look around confused.

TEACHER (CONT'D)

It's Jimmy Kimmel!

JIMMY FALLON walks to the front of the class like "WTF?".

The kids start to cheer then it dies down.

KID #1

That's not Jimmy Kimmel!

JIMMY

Hey, kids! You're right. I'm not Jimmy Kimmel. I'm actually Jimmy Fallon.

The kids look confused.

JIMMY (CONT'D)
But I do host The Tonight Show.

KID #1
What's that?

JIMMY
You've never heard of The Tonight Show?

KID #1
Is it on Netflix or Max?

JIMMY
It's on NBC.

KID #2
I like John Oliver and Bill Maher on Max. They're sassy.

KID #1
It's not on streaming?

JIMMY
It's the longest running late night show in the history of TV. And it's on Peacock.

KID #2
(waving that answer away)
Peacock. As if.

KID #3
What do you do on the show?

JIMMY
I'm the host.

KID #4
They couldn't find a woman?

KID #2
I heard Joan Rivers almost got your job, but due to sexism that was stopped. Any comment?

JIMMY
Are you TMZ?

KID #1
What time is the show on?

JIMMY

The show runs from 11:35pm to
12:35am.

KID #3

You only work one hour a day?

JIMMY

No. I work all day on jokes,
sketches, and production.

KID #1

11:35 is a stupid time to start a
TV show.

KID #3

Wait, I thought Jay Leno hosted The
Tonight Show.

KID #2

Nooooo. Jay Leno has a car show
now. I remember the Dancing Ito's
back in the 1990's. Hi-lar-e-ous.

JIMMY

You weren't even born yet.

KID #1

Are you afraid Jay Leno will come
back and take your job?

JIMMY

No. I'm not afraid of Jay Leno
taking my job.

KID #2

You should be.

JIMMY

Wait. What do you know? Have you
been talking to NBC?

KID #4

My dad says Johnny Carson is only
real host of The Tonight Show.

JIMMY

Johnny was the greatest.

KID #4

Are you afraid he'll take your job?

JIMMY

Well, Johnny is dead.

Kid #4 starts to cry.

KID #4
What? Why would you say that?

The Teacher runs over to comfort Kid #4.

TEACHER
Oh, my. Sweetie, it's okay.

KID #4
I don't want Johnny to be dead.

TEACHER
No one wants that.

The Teacher looks at Jimmy like WTF?

JIMMY
This shouldn't be a surprise. He
died like twenty years ago.

KID #1
(also crying)
I wish Jimmy Fallon was dead
instead of Johnny Carson.

JIMMY
You and me both, kid.

TEACHER
(comforting the crying
kids)
Any other questions, for Mr.
Kimmel?

JIMMY
Fallon.

KID #1
Did you ever host the Oscars?

JIMMY
No. That was Jimmy Kimmel.

KID #3
I thought you had red hair.

JIMMY
That's Conan O'Brien.

KID #2

He's funny. Did you see him on Hot Ones with Sean Evans? Brilliant. French kiss!

Kid #2 makes a motion of the French kiss.

JIMMY

You've heard of Sean Evans but not me?

KID #2

Are you on YouTube?

JIMMY

Yes. I'm on YouTube.

KID #2

Well, I haven't seen you.

JIMMY

We have 34 million subscribers.

KID #1

I hope Jay Leno comes back and takes your job.

All the kids start chanting "Jay! Jay! Jay! Jay!"

JIMMY

We love Jay! But he's not coming back.

KID #2

I heard Jay regularly performs in Hermosa Beach on Sundays with his former head writer, Jimmy Brogan. Do you have a residency in the general Los Angeles metropolitan area?

JIMMY

How do you know this much about Jay Leno?! Are you stalking him?

KID #2

It's called Google!

JIMMY

I know what (bleeping) Google is!

TEACHER

Okay, give Mr. Kimmel a round of applause! I'm sure he has to go.

JIMMY
It's Fallon! Bye. Whatever, kids.

KID #2
We'll try to watch you at 11:35pm
or on Peacock!

Kid #2 winks at him.

JIMMY
Why are you winking like it's not a
real thing?

All the kids laugh. Jimmy opens the classroom door and walks
out. But JAY LENO is there about to walk in.

JIMMY (CONT'D)
Jay Leno?

JAY
Hey, Jimmy. I thought I heard a
group of kids chanting my name.

TEACHER
Hey, kids! It's Jay Leno!

All the kids cheer!

JAY
(sotto to Jimmy)
I didn't realize I was so popular
with kids. YouTube, am I right?

Jimmy looks pissed and walks out as Jay addresses the class.

JAY (CONT'D)
Who wants to see news headlines?

The place erupts into cheers! Then the kids start chanting
"Jay! Jay! Jay! Jay!"

CUT TO BLACK.
